## Independent Auditor's Report

To the Judges of the 19<sup>th</sup> District Court,  
Honorable Mayor, and Members  
of the City Council  
Dearborn, Michigan

We have audited the accompanying basic financial statement of the 19<sup>th</sup> District Court of Michigan (a component unit of the City of Dearborn, Michigan) as of June 30, 2006. This financial statement is the responsibility of the 19<sup>th</sup> District Court of Michigan's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the basic financial statement presents fairly, in all material respects, the financial position of the 19<sup>th</sup> District Court of Michigan as of June 30, 2006, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statement. The accompanying other supplemental information, as identified in the table of contents, is presented for the purpose of additional analysis and is not a required part of the basic financial statement. The other supplemental information has been subjected to the auditing procedures applied in the audit of the basic financial statement and, in our opinion, is fairly stated in all material respects in relation to the basic financial statement taken as a whole.

The 19<sup>th</sup> District Court of Michigan has not presented the management's discussion and analysis that the Governmental Accounting Standards Board has determined is necessary to supplement, although not required to be part of, the basic financial statement.

## **Notes to Financial Statement June 30, 2006**

### **Note 1 - Significant Accounting Policies**

The funds of the 19<sup>th</sup> District Court of Michigan (the “District Court”) are Agency Funds. The financial activities of the funds are limited to collection of amounts that are subsequently returned or paid to third parties. The operations of the funds are custodial in nature (assets equal liabilities) and do not involve the measurement of results of operations. The District Court has been consolidated as a component unit in the financial statements of the City of Dearborn.

### **Note 2 - Cash**

Michigan Compiled Laws Section 129.91 (Public Act 20 of 1943, as amended) authorizes local governmental units to make deposits in the accounts of federally insured banks, credit unions, and savings and loan associations that have offices in Michigan.

Certain deposits of the District Court are held at the City of Dearborn in the City’s pooled account. That pooled account invests in many different items. The District Court is unable to specifically identify the components of the pooled account that relate to the District Court’s deposits. See the City of Dearborn’s financial statements for more complete information.

The District Court’s cash and investments are subject to certain risks. The most substantial risk is examined in more detail below.

#### **Custodial Credit Risk of Bank Deposits**

Custodial credit risk is the risk that in the event of a bank failure, the District Court’s deposits may not be returned to it. The District Court does not have a deposit policy for custodial credit risk. At year end, the District Court had \$68,583 of bank deposits (certificates of deposit, checking, and savings accounts). The entire amount was covered by federal depository insurance.
